

## Create Zone - Love

- Write a love letter to yourself as if God had written it to you. This may feel a little weird, but really think about the unconditional love God has for each of us.

- Go outside and collect some stones and pebbles. Read through 1 Corinthians 13v4-7 and write each on each of the pebbles. Be as creative as you'd like, with paints and pens and colours!

- Draw or print off a heart shape. Using tissue paper or any colourful wrapping you have around the house, fill in the heart. Decorate around it with words or pictures!
