

Candidates for Election to Knowle Parochial Church Council (4 places) on 28th April 2021

Lynn Brown

I have been part of Knowle Parish Church all my life and care passionately about its place in the community and outreach into the village and beyond. I have good organisational skills and would like to offer these and myself to serve on PCC.

[First elected to PCC March 2018]

Sarah Chapman

I have enjoyed worshipping at KPC for 14 years. I have served in the children's team on Sundays and currently help lead Scramblers. I love to get to know other families and be part of the children's spiritual journeys. I was part of the connect groups when my children were little, and I currently work at Stepping Stones. I would very much value the opportunity of contributing to the life of the church and serving on the PCC.

[First elected to PCC October 2020]

Victor Hu

I have been a Christian since a young age and have been part of Knowle Church for the last 10 years. I am a leader on Generate/Resonate, have helped lead a Sunday youth group and am currently helping with the youth website development. I have had experience and roles in many different churches and Christian groups which I hope may be of use were I to serve on the PCC.

[New PCC candidate]

Rod Street

I have been a member of KPC since 2015 but a Christian for over 40 years. At KPC I have preached and served on the 6.30 planning team. I have previously served on PCC in other churches and currently serve as a trustee for CPAS and Feba Radio. As a management consultant I have for the last few years worked with many churches and dioceses. I would aim to bring my managerial skills and commitment to Jesus to serving as a member of our PCC

[First elected to PCC October 2020]
